# *Dedication*

*Dorothy Morte*

*1932-2009*

*The 2009 Annual Town Report is dedicated to Dorothy Morte who passed away on November 30, 2009.*

*Dorothy began her career as a secretary to the Highway Surveyor in 1949 and worked as an assistant to four permanent and interim Highway Surveyors for 37 years.*

*During these years, it was Dorothy's voice that a resident first heard when seeking information or on lodging a complaint. Her total knowledge of the department as well as the Town of Milford resulted in resolving many of our residents concerns quickly and to their satisfaction. Dorothy presided over the Highway Barn almost as a "second mother" to the many employees who worked through the years - at some times protective and at other times providing advice on all types of problems.*

*Dorothy Morte will be fondly remembered for many things –as a loyal employee who loved her community, a trusted and valued friend, a loving mother and grandmother and most of all a kind and compassionate woman. May she rest in peace.*

# MILFORD BOARD OF SELECTMEN

Room 11, Town Hall, 52 Main St. (Route 16), Milford, Massachusetts 01757-2679

508-634-2303 Fax 508-634-2324

## **BOARD OF SELECTMEN/TOWN ADMINISTRATOR**

The Offices of the Board of Selectmen and the Town Administrator, located in Room 11 of Town Hall, are open 8:30 AM to 5:00 PM, Monday through Friday. Board meetings, held on Monday evenings in Room 03 at Town Hall, are televised via the local cable channel. The Minutes, the formal record of meetings, may be inspected upon request. Information is also available on the Town of Milford's website [www.milford.ma.us.com](http://www.milford.ma.us.com).

As you know, in 2009 cities and towns in the commonwealth experienced a continued deep and abiding fiscal crisis caused by the national recession. Milford, as other communities around us, took every action possible to protect municipal services and municipal jobs. The Board of Selectmen again expressed their support for a moratorium on all capital projects and again expanded the Senior Volunteer Tax Relief Program for our seniors. Severe reductions were avoided as the Board of Selectmen, the Finance Committee and all department heads worked together to avoid personnel cuts and loss of services. While the situation was serious it was not disastrous as town departments and our citizens tightened their belts.

The Board of Selectmen has continued to monitor the fiscal situation and again will recommend a conservative fiscal approach, setting aside money into the Stabilization Fund and budgeting frugally. As the nation emerges from this crisis, the Town of Milford will be poised to rebound also.

The Town Administrator manages the daily operation of the Selectmen's Office, and is the administrative supervisor of department heads appointed by the Board. The Town Administrator also coordinates cooperative purchasing activities, and serves as Town Coordinator of the Americans With Disabilities Act, the Chief Procurement Officer of the Uniform Procurement Act, the town's Safety Coordinator, and the Municipal Database Coordinator for the Enhanced 9-1-1 Emergency Response System.

The Board of Selectmen is the local licensing authority for issuance of licenses for alcoholic beverages sales and service, flammable materials storage, parades, movie theatres, carnivals, bowling alleys, auctioneers, tag days, yard sales, and many other activities. License and permit fees generated \$130,352 in local revenues during fiscal 2009.

The Board of Selectmen establish local Traffic Rules and Orders, with input from the Police Chief and other officials. Each year, an overnight parking ban is in effect from December 1<sup>st</sup> through March 15<sup>th</sup>. In fiscal 2009, \$58,265 was collected in fines for non-moving violations.

The Town Administrator and Town Counsel jointly administer the Town's Self-Insurance Program for general liability, property municipal vehicles and police officer/firefighter on-duty injuries. This program, now in it's seventeenth successful year, has saved the Town over \$450,000 annually in insurance premiums.

The Selectmen and Town Administrator have been actively involved in the following capital projects and special activities, many in conjunction with other departments and officials:

- ...Open Space and Recreation Plan
- ...United Way of Tri-County
- ...Baby Safe Haven New England
- ...Traffic Signal Maintenance Program
- ...Public Safety Dispatch Center
- ...Armory Renovation Committee
- ...Occupancy By-Law

- ...Employee Group Health and Life Insurance
- ...Town Hall Handicap Access Improvements
- ...Tax Classification Action Team
- ...Fuel Oil Cleanup/160 Central Street
- ...Alcoholic Beverage Server Training Program
- ...Senior Volunteer Tax Relief Program
- ...Veterans Memorial Alternate Route
- ...Upper Town Hall Public Use Policy
- ...Computerization/Up-grade of Town Hall continues
- ...Charles River Monitoring Program
- ...Jefferson Street Improvement Project
- ...“Movies in the Park” Program
- ...Godfrey Brook Feasibility Study
- ...Louisa Lake/Weed Control

- ...and many others

Chapter 40, Section 49 of the Massachusetts General Laws mandates the publication of this Annual Town Report, which must include reports of the School Committee, Town Accountant, and Town Treasurer. Beyond that which is mandated, however, the Selectmen attempt to provide information of interest and practical value to Milford residents. The Selectmen welcome your comments and suggestions for improvement of both format and content.

The Selectmen encourage Milford's residents to take an active role in the development of the community. An application for membership on various boards appointed by the Selectmen is available in the Selectmen's Office for residents who are willing to share their skills and experience through involvement in town committees and volunteer efforts. Through these efforts the community will continue to grow and prosper.

Please let us know if you have any suggestions for improvements in the way that we are currently operating. We look forward to serving you.

Finally, it would be inappropriate to conclude this report without expressing appreciation to all town employees and department heads for their cooperation and assistance this past year. Their efforts have contributed greatly to our success. We thank them all.

Also, we would be remiss failing to mention the loss of former employees and close friends including, Katherine Cullinan, Patsy Heath, Dorothy Morte, and Nicholas Sullo. Each of these individuals will be missed and remembered.

A special thank you again is extended to Mrs. Jeanne Luchini and Mrs. Liz Fernandes for their many hours of hard work in compiling the 2009 Annual Town Report.

## **MILFORD ANIMAL CONTROL**

**3 Fiske Mill Road  
Milford, MA 01757  
(508) 478-3871**

**Rochelle C. Thomson  
Animal Control Officer**

### **2009 Annual Report**

The Animal Control Department provides daily coverage on a limited hourly scheduled basis. Citizens requiring the department's services may call the office at (508) 478-3871. Highlighted below are some of the responsibilities and activities of the department throughout the calendar year.

- Enforcement of Milford Town By-Laws, Article 15A and Massachusetts General Laws, Chapter 140
- Citations issued
- Pick up and disposal of road kill
- Stray/abandoned dogs picked up and held at the pound facility
- Daily kennel duties/ maintenance of facility grounds
- Aid to other Animal Control Officers and government agencies
- Investigation of all logged complaints
- Appearances in court and local dog hearings
- Dog bites and other domestic/wild animal bites investigated
- Capture and destruction of suspected rabid animals
- West Nile Specimen pick up and packaging
- Adoption placement of abandoned animals
- Trips to the veterinarian/ humane societies
- Patrols of parks, schools and cemeteries
- Attendance at MEMA / SMART seminars and training

A Rabies Epizootic continues in the state of Massachusetts. The Animal Control Department wants to remind all residents that it is the law to have all dogs and cats vaccinated against Rabies. The Animal Control Department also wants to remind dog owners to license dogs yearly between April 1<sup>st</sup> and July 1<sup>st</sup>.

The Animal Control Department strives to find homes for all abandoned or unclaimed animals. The adoption fees are \$35.00 for altered animals and \$65.00 for unaltered animals. Animals that are available for adoption are listed on [www.petfinder.com](http://www.petfinder.com) and bi-weekly in local newspapers.

The department would like to thank all of the other town departments and citizens for their continued cooperation, donations and assistance throughout the year.

# MILFORD BOARD OF ASSESSORS

Samuel J. Bonasoro, Chairman  
Joseph F. Niro  
Joseph F. Arcudi

Priscilla Hogan, MAA  
Assessor/Administrator

## BOARD OF ASSESSORS

The Assessors' office is responsible for keeping accurate data on all real estate and personal property in town and assessing both at market value as set forth in the Massachusetts State Law. We are responsible for preparing the motor vehicle excise data received from the Registry of Motor Vehicles and turning it over to the tax collector to bill and mail. Our office handles tax exemptions for the elderly, blind, minor children of deceased Police or Firefighters killed in the line of duty, disabled veterans, hardships, and deferrals. We process abatements for eligible taxpayers for Motor Vehicle excise, real estate, personal property and the senior tax work-off credit. We continue to verify and collect data on all real estate and personal property in town

This year was a triennial certification years overseen by the Department of Revenue. Part of this process is a lot more in depth than interim years. The Dept. of Revenue begins the process by coming to Milford, requesting all the sales for 2008 along with our property record cards. They then go out in the field and drive by the sales and verify that our data on the property record cards is correct even before we begin our analysis.

The economic conditions of this year had a large impact on property values as reflected in this year's assessments.

The Board of Selectmen held the tax classification hearing in the fall of 2009. The Selectmen voted to retain the Dual Tax Rate shifting the burden of 150% to the Commercial/Industrial/Personal Property classes. The tax rate for FY2010 per thousand dollars of valuation is \$14.08 for residential property and \$24.40 for Commercial/Industrial/Personal Property.

Due to the lack of construction over the past year our new growth number was significantly lower than the previous year as well as the additional revenue we collect on supplemental billing. These revenues are usually used to offset the increase in property taxes.

The state is in a fiscal crisis which also affects the amount of monies communities receive from them.

The Assessors' office continues the process of conducting a full measure and list of all properties in town. This is an ongoing project with 15 percent of the town being completed each year. This involves a letter being sent to taxpayers who will be inspected in the coming year notifying them that someone will be by to re-measure the building and do an inside inspection of each property. If no one is home at this time, or the time is inconvenient, a door hanger will be left for the property owner to call the office and schedule an appointment. The purpose is to verify/correct the data on file in the assessors' office as required by the Department of Revenue to maintain equity. The Board also recommends that property owners check their property record card every year to verify the data on file. It is the responsibility of the property owner to be sure the data is correct.

The Board meets regularly as posted. Meetings are open to the public; however, any person who desires to meet with the Board should call and make an appointment to be put on the agenda.

The Assessors' property data is now on line through the Town of Milford web site ([www.milford.ma.us](http://www.milford.ma.us)). This data is updated once a year. It is posted when values are finalized, usually late December or early January.

The Board would like to take this time to thank Priscilla Hogan, the Assessor/Administrator, for her hard work and dedication to this community. She continues to serve on the Milford Senior Work-off Program Committee, the Milford Elderly exemption committee, and the Massachusetts Assessors Association Legislative committee.

Also, the Board wishes to thank the staff of Terry Dias and Rui Pereira for their consistent hard work and dedication to helping the taxpayers of Milford and their great team effort.

The Board also would like to thank all the town departments for their teamwork and the citizens of Milford for their continued cooperation and we look forward to serving the community in the coming year.

Respectfully submitted,

Samuel J. Bonasoro, Chairman  
Joseph F. Niro  
Joseph F. Arcudi

## **Fiscal Year 2009 Annual Report**

**STUDENTS PREPARE FOR SUCCESS IN GLOBAL MARKETPLACE:** As high school students face the challenges of a complex global workforce environment, they must learn and understand complex academic concepts and sophisticated life skills. A recognized leader in educational innovation, the Blackstone Valley Vocational Regional School District, generously supported by its citizenry, prepares students for success in career and college or other advanced training.

Creating more motivated and high achieving students, career technical education has garnered tremendous attention recently – especially as practiced at Valley Tech – because the vocational education system links academic learning with practical, real world applications.

Valley Tech students, staff and administrators accomplished many noteworthy deeds during Fiscal Year 2009 (July 1, 2008 – June 30, 2009). Your vocational technical system, serving 13 contiguous towns, by embracing change rather than clinging to the past, constantly seeks curricular and facilities improvement to provide expanded learning opportunities.

Mindful of the uncertain economic climate, Valley Tech held its FY09 total member town assessment increase to 3.93 percent. Throughout the 2008-09 school year, officials reduced expenditures, resulting in a FY10 budget, which was unanimously approved by all district member towns, reflecting an overall increase of just 1.99 percent.

The total student enrollment at Valley Tech continues its expansion, to more than 1,100 students in school year 2009-10 and in September 2009, the system launched a postsecondary Licensed Practical Nurse program. In addition to updating and reconfiguring learning laboratories to reflect industry and employment trends, Valley Tech looks toward the development, for additional athletic space, of nearly 30 acres of donated local land.

Other Valley Tech stars, the Valley Tech Team 61 Shifters, were nearly perfect in capturing first place at the U.S. FIRST Robotics Boston Regional Competition. The team went on to compete success in the Connecticut Regional, and finished in the top-20 at the national championships in Atlanta.

The Valley Tech Class of 2010 registered impressive results on the state-mandated Massachusetts Comprehensive Assessment System (MCAS) tests. Results from the spring 2008 first administration of the test indicated that 99.6 percent of the class passed the English language arts portion, 96.7 passed the math and 96.2 passed the science/technology engineering part of the assessment on their first attempt. As for attaining advanced or proficient skill levels, 78 percent were in that range in math and 79 percent in English. By Federal statute all students must reach proficiency by 2014. The Class of 2009 was the sixth straight from Valley Tech to have 100 percent of its membership achieve competency determination on the MCAS.

Valley Tech also tied for seventh among Massachusetts district high schools for the highest graduation rate (97.2%). Valley Tech's dropout rate of 0.9 percent tied for 13<sup>th</sup> best in the state.

**NUMBERS PROVE SUCCESS:** In an atmosphere of 21<sup>st</sup> Century rigor, the success of our student body is measured by 100% competency determination, high career placement rates and high college matriculation rates for our graduates. This in turn justifies our stakeholders' confidence that Valley Tech is succeeding in its mission to prepare the students of Blackstone Valley with a world class education.

The District's FY09 total operating budget was \$18,094,750. Chapter 70 Aid contributed \$6,462,753 and Minimum Contributions from the 13 member towns totaled \$7,306,124.

In the operating budget outside state-mandated net school spending areas, the District budgeted \$273,452 for transportation costs, \$154,600 for acquisition of fixed assets and \$691,760 for retiree medical coverage. This was offset by \$783,849 in regional student transportation funds received from the Commonwealth. In addition to their state-required Minimum Contributions, the member towns unanimously supported the school's operating budget with shared assessments for operations, student transportation, asset acquisition, and retiree medical costs. This investment provided the fiscal support to respond to the diverse learning needs of a student population that grew by five percent over FY08 and again in FY09 and FY10.

In response to weakening economic forecasts and lower than expected tax collections, the Commonwealth was forced to reduce the District's Chapter 70 allocation by \$759,526; however, those funds were completely restored with funding from ARRA (American Recovery & Reinvestment Act), also known as stimulus funds. Given the ongoing fiscal constraints and the likelihood of a continued economic slump, the District continues to search out greater efficiencies in its staffing patterns, supply purchases, technology upgrades, and contractual service requirements. Bolstered by prudent budget management practices, the District utilized an unreserved fund balance of \$250,000 to offset the towns' actual assessments. Additionally, the District secured funds to purchase vocational equipment and other fixed assets through private donations of \$8,300.

MILFORD CAPITAL IMPROVEMENT COMMITTEE  
Town Hall -52 Main Street  
Milford MA 01757

The Capital Improvement Committee met on a regular basis during 2009. The CIC has been reviewing many future capital projects planned to help maintain the infrastructure of the Town. The CIC worked closely with all Town Departments and/or Committees to review and recommend beneficial capital projects.

Listed below is Town meeting Articles recommended by CIC

Article 10 - Painting request for the on going of painting the Town Hall.

Article 19 – Request for Emergency Generator for Milford’s Emergency Shelter at the High School

Article 22 – Request for Light Pole replacement at Fino Field and Lighting System.

Article 23 – Request for leasing of library computers, with service contract.

It is the CIC's responsibility to make recommendations to the Finance Committee and Town Meeting Members on the appropriate scheduling of the capital expenditures based on the priority of the project as determined by its rating, its impact on the budget possible critical safety hazards created if not and various other factors.

The CIC works closely with the Finance Committee and its members as well as all department heads to assure proper consideration of all projects. The result of this process allows CIC to present to the finance committee and town meeting members our ranking and or recommendations of each of the projects properly presented for evaluation as specified in our by laws.

**Fax (508) 634-2324**

**E-mail: [mcod@usa.com](mailto:mcod@usa.com)**

### **THE MILFORD COMMISSION ON DISABILITY IN 2009**

The Milford Commission on Disability serves as an advisory board to the Town of Milford on issues of equal access for individuals with disabilities. Members are appointed by the Board of Selectmen and serve terms of one to three years. The Commission is also a resource for individuals with disabilities regarding employment, programs and services provided by federal, state, and local government, goods and services provided by private companies, and access to public facilities.

Some Commission members have completed special training and are certified by the Commonwealth of Massachusetts as Community Access Monitors. As such, they play an essential role in encouraging access improvements. Access monitors in Milford partner in this process with the town's ADA Coordinator, Building Inspector, Town Engineer, Town Planner, Highway Surveyor and others.

#### **Commission Activities in 2009 included the following:**

- Provided input during the site and building plan review process to encourage compliance with accessibility standards. Thirteen plans were reviewed and comments submitted during 2009, with Commission members also periodically participating in site plan review meetings with the Planning Board. Reviews included preliminary review of accessibility at the Walden Woods proposed recreational facility.
- Provided input for new accessible parking spaces, including one new space on Park Street at Draper Park, one new space on Congress Street at Town Park and two new spaces on the 200 block of Main Street.
- Worked with the Dept. of Inspections to resolve accessibility issues by photographing and detailing violation complaints involving accessible parking spaces, striped aisles, signage and related concerns.
- Began cataloging the location of sidewalk obstructions, including single and double utility poles, signal cabinets and damaged surfaces, for the purpose of having responsible parties resolve the obstructions.
- Assisted in arranging installation of an accessible outdoor lift (which was generously donated by ADA Coordinator Lou Celozzi) at Milford Youth Center.
- Worked with several town departments to have an existing walkway paved from Congress Street into Town Park. At Draper Park, the Commission is exploring methods to improve accessibility to the WWII Memorial plinth.
- Supported repair of existing, and installation of new, crossing chirper devices at various street crossings.
- Discussed accessibility concerns with Milford Upper Charles Trail representatives, especially regarding the needs of persons with visual impairment.
- Represented accessibility interests on the Shelter Subcommittee of the Milford Emergency Planning Committee.
- Regularly updated and added useful information to the Commission's web site at [www.milfordtownlibrary.org/disability](http://www.milfordtownlibrary.org/disability).

The Commission on Disability meets in Milford Town Hall, usually on the third Tuesday of every month. Meetings are open and attendance by individuals interested in disability issues is encouraged. Meeting dates, times and room location are posted at Town Hall. For further information, call Mike Nicholson, Chairman, at (508) 282-7827 or inquire via email at [MCOD@usa.com](mailto:MCOD@usa.com).

### **COMMUNITY DEVELOPMENT OFFICE**

The Community Development Office is located at 89 Main Street and is open from 8 AM to 4 PM, Monday through Friday. Due to limited staffing, appointments are recommended and can be made by calling 508-634-2328. Office staff includes a full time Director and Program Coordinator and part time Rehabilitation Specialist.

The Office administers state and federal grant programs from agencies such as the Department of Housing and Community Development and Massachusetts Housing Finance Agency. All programs and most administrative expenses are funded through grant funds.

A variety of programs are administered through this office; many designed to benefit low to moderate-income persons and families.

The Housing Rehabilitation Program is a popular program available to low to moderate-income residents. This program offers 0% deferred interest payment loans to rehabilitate severely blighted single family owner occupied properties to create safe, decent, sanitary affordable housing.

Economic Development activities such as façade and sign improvements and various downtown revitalization activities are also administered through this office. Downtown Milford has made tremendous progress and has utilized grant funds received by turning a once unattractive and underutilized downtown into an attractive and functional downtown area. The Main Street Sidewalk Improvement Project has made a significant impact by reconstructing new concrete sidewalks with brick pavers, installing historic lighting, and planting new trees on Main and Central Streets. In addition to the sidewalk projects the Municipal Parking Lot located behind Main Street from Jefferson to Central Streets has been reconstructed. The town has recently replaced the drainage system, concrete sidewalks and granite curbing on Central, Jefferson and North Bow Streets.

Funds for infrastructure repairs and housing rehabilitation at Prospect Heights have recently been awarded. These infrastructure repairs are the first phase of a three phase project. Improvements will be made to drainage, sidewalk, curbing and road resurfacing. This project will begin in Spring 2010. Funds for the next phase are pending approval through the Department of Housing and Community Development.

## MILFORD COMMUNITY SCHOOL USE PROGRAM

TO THE HONORABLE BOARD OF SELECTMEN:

Our 36<sup>th</sup> year has again been most rewarding and successful for the Milford Community School Use Program. Our program offerings were again well attended and, hopefully, we have continued to provide an enjoyable experience for the residents of our community.

More and more residents of our town have enjoyed our comprehensive Pool Program once again. This year, we have expanded our Open Swim to include morning hours. We now open the pool on Mondays, Wednesdays, and Fridays from 5:45 am to 7:30 am.

The Milford Community School Use Committee, the nine-member advisory committee, meets every other month between September and May in the Milford Community School Use Program Office at Milford High School.

As we begin our 36<sup>th</sup> year, we will continue to try and meet the needs of our community. We have added many new Adult Education Wellness programs. Also, our selection of Children's Programs during all seasons continues to grow. To inform people of our many classes, we send emailed newsletters to those interested in keeping up-to-date with our programs. As always, you may visit our website anytime to find out what is being offered.

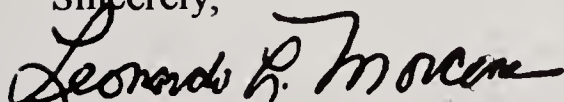

To enhance the arts in the area, the Greater Milford Community Chorus continues to perform two annual performances, and the Milford Theatre Guild has regrouped and will be working on productions at Memorial Hall.

Please visit our website at [www.milford.ma.us/mcs](http://www.milford.ma.us/mcs). Through the website, you may contact the Community Use Office with any questions or ideas. Residents are reminded that suggestions and ideas for new programs are always being solicited.

I would like to again extend my appreciation to the Milford School Committee, the Superintendent of Schools, the Milford School Department, and the other town boards and agencies for their support and cooperation during the past year.

Finally, I would like to extend my sincerest thanks to the nine-member Milford Community School Use Committee for their devotion and support in continually striving for a comprehensive and enjoyable program for all our residents.

Sincerely,

Leonardo L. Morcone, Director

CONSERVATION COMMISSION

## CONSERVATION COMMISSION

The Milford Conservation Commission is responsible for protecting and promoting the natural resources of the Town. The seven members of the commission are appointed by the Selectmen to serve for a three-year term. Meetings are held on the first and third Thursday of each month in the Town Hall.

The Commission works with other local boards and the Massachusetts Department of Environmental Protection to oversee the protection and preservation of natural resources in the Town of Milford. The Commission administers, and is guided by, the Wetland Protection Act (M.G.L., Ch. 131, s40) and the Rivers Protection Act (Ch. 258 of the Acts of 1996). Any person or Town Department proposing land-disturbing activity within the resource areas protected by these acts must apply to the Conservation Commission with either a Notice of Intent or a Request for Determination of Applicability.

The Conservation Commission reviewed 15 Notice of Intent filings and 12 Request for Determination of Applicability filings during 2009.

During the calendar year 2009, the Conservation Commission generated \$4,810.00 in filing fees.

The Commission also devotes its time and resources to promoting the use and enjoyment of the Town's natural resources. Work is continuing on the Upper Charles regional bike-path that will extend from Framingham through Sherborn, Holliston and Milford to Hopkinton. In addition, each spring, the Commission stocks Louisa Lake with trout for the fishing enjoyment of the community.

The general public is always welcome to attend meetings, either as private citizens, or as an Associate Member of the Commission.

## MILFORD COUNCIL ON AGING ANNUAL REPORT 2009

The Milford Senior Center is the gateway for services for residents age 60+ and disabled residents, regardless of age. The center provides supportive services, wellness programs, recreational activities and both local and out-of-town transportation for elders. When necessary, referrals are made to other appropriate agencies. Normal business hours are Monday through Thursday from 8:30 a.m. to 5:00 p.m., Fridays from 8:30 a.m. to 4:00 p.m. and Sundays from 1:00 to 4:00 p.m. According to the 2000 US Census, Milford has **4,388** seniors but it is estimated that this number will increase to well over **4,500** when the results of the 2010 Census are reported.

**The Milford Council on Aging** is a nine-member board, appointed by the Board of Selectmen. They meet on the second Tuesday of each month to advise and make recommendations on matters concerning the operation and policies of the center.

The Senior Center provided **35,839 units of service to 3,244 people in 2009**. This includes **748** units of service to **non-elders**. **The Elder Milfordian** newsletter provides timely information on senior issues and Senior Center services and activities. It is mailed to approximately **2,800** elder households in Milford.

The Friends of the Milford Senior Center, Inc. provide funding to the center which cannot be provided by the State or Town. This organization has contracted with the Massachusetts Executive Office of Elder Affairs to administer the **Central Mass Regional S.H.I.N.E. Program** (Serving Health Information Needs of the Elderly). In 2009 the S.H.I.N.E. Program provided health benefits counseling to **212** Milford residents. Now, more than ever, this service is vital to our elders who must deal with a complex and confusing myriad of agencies when making decisions regarding their medical and prescription insurance coverage.

**The Tri-Valley Nutrition Program** operates from the Milford Senior Center. Over 100 meals a day are packaged and delivered to Milford and Medway elders, Monday through Friday.

**The twenty-five Senior Volunteer Tax Relief Program Volunteers** provided 2,300 hours of service to various departments in the Town. In return the participants received a credit of \$750 on their property taxes.

In addition to the Senior Volunteer Tax Relief program Volunteers, the Council on Aging extends sincere appreciation to the **105 volunteers** who contributed **17,113 hours** of volunteer service in 2009. Using the standards set by the National Points of Light Foundation, the dollar value of their efforts would be **\$308,034**. In May 2009 these volunteers were honored at the Annual Volunteer Recognition. This year's recipient of the Senior of the Year Award was **Georgette Chiccarelli** in recognition of her many years of volunteer service to the Town, specifically the Senior Center. Recipients of the special Friends of Seniors President's Award for outstanding service to the Senior Center in 2009 were: **Sabatina Blasio, Linda Gosselin, Dolores McDonough, Shirley Bonnell and Marie DiCampo**.

As the needs and numbers of our seniors continue to change, the Senior Center staff and the Council on Aging look forward to providing new services and activities to meet these needs.

The Milford Cultural Council is the local branch of the Massachusetts Cultural Council. The mission of the council is to promote access, education, and diversity in the arts and humanities. The Milford Council accomplishes this through the issuance of grants for cultural organizations, schools, community organizations, and artists.

In 2009, the Milford Cultural received a \$9,300 distribution from the Commonwealth of Massachusetts. The Council awarded grants to the following programs or organizations:

- Shining Star Preschool
- Memorial Elementary School
- Stacy Middle School
- Milford Catholic Elementary School
- Milford Family Network
- Greater Milford Community Chorus
- Claflin Hill Music Performance Foundation
- Milford Performing Arts
- Enter Stage Left Theater
- David Bates and Roger Tincknell (for a Milford Public Library program)
- Gregory Maichack (for a Milford Public Library program)

It is our hope that all those who attended the programs offered as a result of the grants enjoyed them and benefitted from seeing what was offered.

## **2009 Annual Report**

Milford's Emergency Management system and services were put to the test during the drinking water contamination incident of August 2009. On Sunday August 9, 2009 Town Officials were notified that the Massachusetts Department of Environmental Protection had issued a "Boil Water Order" for all Milford Water Company customers.

During this incident we utilized the town owned reverse 911 system as well as local and Boston media to inform our residents of the ongoing emergency. The reverse 911 system operated as designed but proved to be inadequate due to the length of the message and the limited number of outgoing telephone lines.

The town took over the Milford Water Company's bottled water distribution program on August 10th. Operated at Milford High School, the distribution program lasted nine days and delivered 167,442 gallons of bottle water. The costs of the water distribution program were paid by the Milford Water Company.

This emergency event brought to light several areas that needed improvement. Working together town officials proposed several articles at the 2009 Special Town Meeting to help address these issues.

Town Meeting approved the following articles:

- A new Community-Wide Notification System (Connect CTY)
- Traffic Control Trailer
- Mobile Light Trailer
- Emergency Generator at Milford High School
- Shelters / Tents with propane heating system

In addition we are moving forward with a public safety web site that will provide a robust web presence for the Fire, Police and Highway Departments. This site will allow each department to deliver emergency messages as well as routine information to the public.

Primary focus during 2010 will be volunteer recruitment and shelter operations. Our new web site will allow online volunteer registration. We will be working with the American Red Cross to provide shelter operation training.

While our local government has a responsibility to provide disaster services to its citizen, each person or family also has a responsibility to be prepared. Individuals and families should be prepared to be on their own, without assistance for 72 hours. Information on how to be prepared is available online at [ready.gov](http://ready.gov).

## **Town of Milford Office of Fair Housing**

---

The Town of Milford, through its Board of Selectmen, has approved and continues to support a Fair Housing Action Plan in compliance with guidelines promulgated by the Massachusetts Commission against Discrimination and in conformance with State and Federal laws relevant to the provision of equal choice and housing for all individuals.

The plan is a public document and is available for inspection in the Selectmen's Office. The plan has been implemented through the efforts of the Fair Housing Committee with representation from: the Planning Board, the Housing Authority and the community at large. This Committee is charged with and continues to develop a bilingual outreach program to disseminate information, the review of actions of community boards and agencies pertaining to housing, the pursuit of activities, and the resolution of complaints concerning alleged discrimination in housing through its multi-lingual Complaints Intake Program.

## **Town of Milford Inspector of Animals**

---

In compliance with provisions of Massachusetts General Laws, Chapter 129 all dogs and cats involved in biting incidents and possible rabies exposure were quarantined by state protocol. Follow up investigations were conducted requiring animals under quarantine to be health checked and to be properly vaccinated, as required by law. The Annual Farm Inspections were done in November. All bovine, livestock and poultry were inspected and found to be in good health and disease free. Animal housing was observed to ensure good husbandry and that there was ample food and water supplied.

It is incumbent upon animal owners to keep their pets properly vaccinated for the safety of the animals as well as the safety of the general public. Citizens requiring assistance from the Animal Inspector may call (508)-478-3871.

*Town of Milford  
Finance Committee  
52 Main Street  
Milford, MA 01757*

---

The Finance Committee is comprised of fifteen volunteer members appointed to staggered three-year terms by the Board of Selectman. Authority is granted to the Committee pursuant to Massachusetts General Laws chapter 44 and Article 2 of the General By-Laws of the Town of Milford. The Committee's major responsibilities include consideration of all indebtedness, administration of all Town Departments, and other municipal affairs of the Town, and to make such reports and recommendations to the Town concerning the same. In order to accomplish such responsibilities, the enabling By-Law grants the Committee authority to investigate and inspect the accounts, books, management, and records of the Town and any Enterprise Fund of the Town, and directs Town officers to furnish the same upon request. The Committee meets not less than monthly, usually the second Wednesday of the month, to accomplish these responsibilities, and often meets more frequently during the budget review process, as well as prior to Town Meetings. Furthermore, the members organize into subcommittees to meet with Town Departments, often during both daytime and evening hours.

In fiscal year 2009, the Committee administered a General Fund budget of \$71,201,091. The committee continues its commitment to minimal budget increases in order to curb operational spending, provide funds for necessary capital projects, while minimizing the financial burden on the taxpayers. The Town is still considering new possibilities for the Armory/Youth Center as well as renovating the athletic facilities at the High School in the near future, and the Godfrey Brook long-term. After reducing local aid by a significant amount, the State funded the difference with Federal Stimulus monies. This committee anticipated this action early in the FY 10 budget process and had planned accordingly. The national scene still paints a picture of fiscal uncertainty as concern fueled by military actions, federal deficits, high unemployment, and a continued economic recession.

As with many growing Massachusetts communities operating within the confines of Proposition 2 ½, the Town is challenged continually by financial constraints. The Committee pledges its continued dedication to help overcome these constraints. While the majority of local area communities have passed Proposition 2 ½ overrides, or debt exclusions, the Town of Milford has yet to do so and is committed to providing excellent services to the community with a minimal increase to the taxpayers.

The Milford Finance Committee expresses its gratitude to the many Town officers and employees for their dedicated assistance, cooperation, and encouragement, as well as their critical assessment and commentary as warranted. In particular, the Committee extends special thanks to the Town Administrator, the Board of Selectmen, the Town Accountant, the Town Treasurer, and the Town Counsel for their assistance and cooperation during the past fiscal year.

## 2009 Annual Report

The Milford Fire Department continues to provide professional fire, rescue and EMS services to the citizens of Milford on a daily basis. Our firefighters responded to 4,261 calls for emergency service during 2009. These incidents included fires, emergency medicals, hazardous materials releases, motor vehicle accidents and industrial accidents. Damages as a result of fires were in excess of 2 million dollars and eight firefighters sustained injuries in the performance of their duties.

Staffing levels at the Milford Fire Department have remained constant over the past year even with economic down turn. Department staffing presently consists of the Fire Chief, Deputy Fire Chief, six Lieutenants and thirty-two Firefighters and remains below national standards for communities the size of Milford.

Training continues to be a priority for the department. Annual classes include live fire evolutions using the departments burn building, vehicle extrication, EMS, search and rescue, technical rescue and hazardous materials.

Our department continues to work closely with Chief O'Loughlin and the members of the Milford Police Department, as well as other town departments in dealing with situations that involve multiple jurisdictions.

The department was fortunate to receive a federal grant in 2009. We received funding from the Assistance to Firefighters Grant (AFG) program for the replacement of our self-contained breathing apparatus (SCBA). An award of \$153,405.00 was received from the AFG program and was combined with state and local funds replace all forty of our SCBA units.

Like all town departments, we continue to strive to maintain our level of service despite decreasing funding opportunities and increased calls for service. I look forward to working with the Board of Selectmen in the upcoming year to continue to improve our department.

Respectfully,

John P. Touhey  
Fire Chief

## BOARD OF HEALTH

TOWN OF MILFORD, MASSACHUSETTS 01757

Kenneth C. Evans

Leonard Izzo

Gerald F. Hennessy

Paul A. Mazzuchelli, *Health Officer*

*Telephone: 508-634-2315*

The Milford Board of Health meets biweekly, on Mondays, at 6:00 PM in Room 14, Town Hall. Paul A. Mazzuchelli, Registered Sanitarian, Certified Health officer is the Board's Health Officer. Steven Garabedian is the Health Inspector. Mr. David Denlinger was appointed in October 2008 as Health Inspector overseeing the Maximum Occupancy By-Law.

The Board issues permits and licenses for retail and food service establishments, bakeries, tobacco sales, wells, , tanning salons, maximum occupancy certificates for rental units and semi public/public pool approvals. The Board also inspects all septic systems and issues burial permits.

The Visiting Nurse Association, the nursing agency for the Board of Health, conducts blood pressure clinics, flu clinics and other health maintenance clinics including TB investigations and follow-ups. The Board of Health also supplies area physicians and clinics with vaccines. This year we did not have a shortage of flu vaccine supplies as we experienced in the past. The Board of Health held several clinics resulting in over 6200 doses of flu vaccine being distributed to all individuals that needed them.

In April of 2009 a novel influenza virus first referred to as the Swine Flu was introduced into the United States from Mexico. This virus was later referred to as H1N1 Influenza Virus. It spread quite quickly throughout the United States and soon into Massachusetts. This virus seem to attack the very young and school age children. Children from 6 months to 18 years of age seemed to be at the highest risk. At first the virus was thought to have a severe effect on those that contracted it but as time went on it appeared to be a mild form. Out of an abundance of caution a number of school districts closed schools for a period of 14 days.

In Milford the Board of Health, Officer Paul A. Mazzuchelli, Milford School District administrators and Director of Nursing Judith Dagnese worked tirelessly to develop an awareness and education campaign in preparing students and staff as well as the general population on how to prevent contacting the virus. Absenteeism reporting was also closely watched to determine if high absenteeism was a result of flu like illness symptoms. At this time (spring of 2009) there was no vaccine available for the virus strain.

Throughout the summer of 2009, The Milford Board of Health, Health Officer, school administrators and nursing director of public schools planned extensively to hold several H1N1 clinics for school age children and all individuals that met the criteria for priority target groups determined by the Center for Disease Control and Massachusetts Department of Public Health. From December 1, 2009 to February 2, 2010 over 3000 doses were administered at these clinics. There were a total of 10 clinics held. There were 6 clinics held for the seasonal flu as well. All these clinics were lead by the Milford Board of Health.

Allied Waste Systems is the Town's contractor for Milford's Waste Service. Eligible residents are served by curbside collections. Residents have been cooperative and the program is operating smoothly. Waste tonnage for 2008 reached 9469.75 total municipal tons. While recycling tonnage totaled 1473.

The Transfer Station on Cedar Street is open 8:00AM - 3:45 PM on Thursdays and 8:00 Am – 4:45 PM on Fridays and Saturdays. This facility is usually only opened on Saturday during winter months. As of July 1, 2003 Transfer Station Permits are required by residents to use the facility. This year over 2500 permits were issued for a \$20.00 fee. These funds will be used to support the facility and make needed repairs.

Through the efforts of Paul A Mazzuchelli, Health Agent, Milford received grants from the Department of Environmental Protection. These grants make it possible for the Board of Health to provide seven paint days from April to November and motor oil collection. Over 2300 gallons of waste paint was collected and over 2,500 gallons of waste oil was collected.

The Board of Health works diligently to achieve a high recycling rate for the town. By increasing the amount of materials that can be recycled, and by educating residents, this goal can be achieved. The Town through its Board of Health has a comprehensive curbside recycling program since 1991, the first in Worcester County and the second in the state of Massachusetts to provide this service. Recycling audits are conducted by Allied Waste, Inc to ensure that residents are recycling on a regular basis.

From June to September, the Board in conjunction with the Central Massachusetts Mosquito Program controls adult mosquitoes. West Nile Virus carriers are always closely monitored. The Board of Health is pleased to announce that Paul Mazzuchelli has been selected as a commissioner of Central Massachusetts Mosquito Control Project which serves over seventy (70) cities and towns.

The Board also conducts a Dental Health Program, which includes a fluoride rinse for school children from grades K through 5. Dental Health Screening Education is also provided. Over 1,300 children benefit from this program. During this year with the assistance of Ms Carol Siipola and Dr. Patrick Assioun the Board of Health reinstituted the Dental Screening Clinic for those students without proper dental care. Dr. Assioun and Ms Siipola solicited six (6) Dentists who actually volunteer their time and services

free of charge for those children in need of proper dental care. Dr. James Morin, Dr. Terry Rumas Dr. Theodore Goldberg, Dr. Barry Friedman, Dr. Sam Hanna and Dr. Linda Drennen. This program is for children grades K thru 2 and will expand when the program progresses.

The Board of Health is also charged with the implementation of the Town of Milford's Occupancy By-Law that was passed at the October 2005 Town Meeting. The town contracted with RMX Northeast Inc, a Milford company to obtain habitable square footage of all eligible rental units throughout the town. This data will be used to determine occupancy rates of these properties. Once occupancy rates are established, a proactive approach to overcrowding issues can be implemented. Mr. David Denlinger is hired by the Board of Health to assist with this program.

On August 9, 2009 the Milford Board of Health was alerted by Mr. Henry Papuga of the Milford Water Company that the Water Company was ordered by the Department of Environmental Protection that because of a high coliform count in two areas of the water distribution system a boil water order was to be in full effect. This boil order was in effect from August 9 to August 21, 2009.

During the period of this water boil order, the Milford Board of Health as well as other town departments was very active openly and behind the scenes. The Milford Board of Health was working all day, evenings and weekends on addressing the needs of food service establishments and assisting residents in any way we could. The board of health's initial focus was on those agencies, businesses and establishments that are permitted by the board of health. This included restaurants, fast food, cafeterias, convenience store/markets, caterers, and commercial day cares rest/nursing homes as well as elderly housing. 192 establishments were contacted in all within several hours. Personal visits, telephone calls and emails were used as forms of contact.

A Rabies Clinic was held April 5<sup>th</sup> and fifty-seven (57) dogs and cats were vaccinated for the Rabies Virus.

The Board thanks the Milford Highway Department for assisting at the Transfer Facility, and for its continuous support.

**HISTORICAL COMMISSION OF MILFORD**  
MEMORIAL HALL  
SCHOOL STREET  
MILFORD, MASS. 01757

## **MILFORD HISTORICAL COMMISSION**

**January 1, 2009 - December 31, 2009**

The Commission received several donations to add to the museum this year. Among them were a German Air Force dagger, a fire chief badge worn by Brian Manion, souvenir calendars and booklets from the Milford National Bank and a picture of Memorial Hall with holiday lights dated in the 1950s. A charcoal picture of General William F. Draper was reframed as well as a print of President Abraham Lincoln. All memorabilia and artifacts continue to be archived and displayed on a newly purchased TV and DVD player.

Our annual Open House was held on Sunday, October 18<sup>th</sup> at 2:00 pm. in the GAR Hall. The program featured "Abraham Lincoln's Bicentennial 1809 – 2009." James Johnston presented the program with music provided by Peter Emerick and the Fife and Drum Corps. Commissioners conducted tours of the Museum and provided a slideshow of Milford.

The Little Brick Schoolhouse restoration work remains an ongoing concern for the Commission. This year grant money from the Boston Edison Company was used to replace the front door, repair loose bricks, and restrain outside shutters.

The Quarry Walk was held in May for the third year focusing on the legacy of the Milford Pink Granite and the ledge holes. These events, among other historical highlights, were recounted in the Zip Trip on Fox 25 at Plains Park.

Letters of recognition were sent to Sue Clark and Evelyn Bon Tempo for their efforts to revitalize and preserve the Prospect Heights and the General Draper statue.

Robert Buckley attended a meeting to review restrictions on easements proposed for the Stone Ridge office park for the conservation commission. The Massachusetts Historical Commission Archaeology Department is trying to preserve a crystal quarry and footprint of the Albee and Cheney farmsteads. Nicholas Valorie attended a meeting to show his interest in purchasing and restoring the old South Main Street Fire Station. The Historical Commission supports efforts to preserve the old fire house.

Many tours were conducted for school children and scouts by appointment along with walk-in visitors on Thursday during our weekly open house. A bus tour around town was also conducted for the school department's new teacher orientation program.

The Commission meets the second Wednesday of each month in the Memorial Hall Museum at 7:00 p.m. All meetings are open to the public and new members are welcome. The Museum is usually open every Thursday afternoon and whenever there is an event in the GAR Hall.

# MILFORD INDUSTRIAL DEVELOPMENT COMMISSION

52 Main Street, Milford, MA 01757 508-634-2317

## 2009 ANNUAL REPORT

The Industrial Development Commission (IDC) was established under MGL Ch.40 § 8A in order to promote and develop the industrial resources of the Town. The eleven member Commission is comprised of representatives from local government, the business community, and interested citizens, whose goal it is to assist Milford industries and attract new businesses and industries to the Town.

The Industrial Development Commission uses the 2003 Milford Comprehensive Plan adopted by the Planning Board as a guide to its program and project implementation. The Commission typically meets on the third Wednesday of each month at 4:00 pm in Town Hall.

Maintaining an equitable shift in the Town's dual tax rate, and the Veterans Memorial Drive Extension project remained the areas of primary focus for the Commission. Members of the IDC again provided testimony at the annual tax classification hearing conducted by the Board of Selectmen. They stressed the IDC's position that further increases in the rate shift could have a detrimental effect on industrial development, and the importance of Milford remaining competitive in attracting and retaining businesses by remaining competitive as to costs.

The IDC continued to investigate the feasibility of a roundabout at the intersection of Medway and Beaver Streets to possibly allow for a two-way Beaver Street in the future. The IDC also monitors and maintains the signage program in the Bear Hill Business/Industrial Park, and facilitates signage updates for new businesses and industries locating in the Bear Hill area. The IDC is monitoring the progress of the study committee investigating the possibility of establishing another satellite campus for Quinsigamond Community College in the Blackstone Valley, hopefully in Milford. The Commission continues to maintain the IDC's portion of the Town's website as a means of providing improved access to industrial and economic information with links to various State agencies. Individual members of the Commission continue to participate with various area businesses and organizations in promoting and supporting business issues affecting Milford.

Milford Town Library  
Annual Report 2009

During this challenging year, the Milford Town Library has focused on its mission to provide the access to government information, and to support academic and recreational learning. The Library experienced a 30% increase in library usage from the previous year. The economic environment has had an enormous impact. The Library had over 145,000 walk in visits and circulated 194,000 items. Without the support of the regional library networks, the library could not have filled 20,000 requests from Milford patrons for materials located in other libraries through out the Commonwealth.

Increasing number of Milford residents are enrolled in long distance education programs and the Library is responding with upgrading the technology infrastructure and improving access to web based education databases and tools. To encourage reading, the Youth Services Department sponsored over 130 programs for toddlers through high school. Collaborating with the Milford School Department, the Library provided curriculum support and resources for the summer reading program. The Adult Services Department sponsored programs on topics such as resume writing, books discussion groups and the annual poetry month celebration.

The renovation was completed in 2008 and this is the first full year of operation with the new space configuration. The Library hosted 825 meetings in the expanded meeting rooms. The addition of the children's program room and the creation of a young adult room have eased the congestion and give all age groups the opportunity to enjoy the Library.

The Milford Town Library wouldn't exist without community support. I would like to thank the members of the Library's Renovation Committee for their long term commitment to the renovation and to the Friends of the Milford Town Library for its dedication to enhance library services and programming.

# METROPOLITAN AREA PLANNING COUNCIL

60 Temple Place, Boston, MA 02111

## 2009 Annual Report

The Metropolitan Area Planning Council (MAPC) is a regional planning agency serving the people who live and work in Metro Boston. With a mission to promote smart growth and regional collaboration, MAPC's work is guided by our regional plan, "MetroFuture: Making a Greater Boston Region." MAPC has proudly helped the 101 cities and towns in Greater Boston in navigating the recession with an eye toward preserving our region's vast resources for future generations. Whether in the area of public safety, open space preservation, clean water, affordable housing, transportation equity, sustainable development or inter-municipal cooperation, MAPC is uniquely positioned to bring cities and towns together for the betterment of the region as a whole. Our work is always guided by smart growth principles, and the philosophy that collaborative approaches can best solve regional issues.

### Guiding Future Development and Preservation

With MAPC's progressive new regional plan, "**MetroFuture: Making a Greater Boston Region**" the agency is helping to guide both development and preservation in Metropolitan Boston, now through 2030. The plan was approved in December 2008, and MAPC's work has turned to advancing and measuring its implementation. MAPC also released "From Plan to Action: A MetroFuture Summary," an accessible guide to MetroFuture goals and implementation strategies, which is available online at [www.mapc.org](http://www.mapc.org) and [www.metrofuture.org](http://www.metrofuture.org). MAPC is advancing MetroFuture is through our work with the **Massachusetts Smart Growth Alliance** (MSGa), with MassPIRG – the Massachusetts Public Interest Research Group – as well as Smart Growth America and other groups on the national "Transportation for America" campaign, which urges federal transportation policies that are consistent with smart growth principles. MAPC is also a founding member of "Our Transportation Future" (OTF), a coalition of business, labor, planning and environmental groups who are pushing for increased investment in the state's transportation infrastructure. OTF played a key role in the 2009 transportation debate around reform and revenue, with the Legislature committing \$275 million in funding to transportation from an increase in the sales tax. In addition, MAPC strives to make every major development project in the region compatible with MetroFuture and the state's Sustainable Development Principles through our active involvement in the MEPA process; communicating our perspective and recommendations to developers, municipalities, and state officials. In 2009, MAPC evaluated and commented on several key projects.

### Better Planning through Technical Assistance

Cities and towns throughout the region continue to seek out MAPC for technical assistance on a variety of issues. Much of MAPC's "on the ground" technical assistance work for municipalities has been made possible through funding from the District Local Technical Assistance program (DLTA). MAPC staff worked on housing publications this year, including one with The Citizens Housing and Planning Association (CHAPA), titled "The Use of Chapter 40R in Massachusetts As a Tool for Smart Growth and Affordable Housing Production." Staff also assisted the Massachusetts Housing Partnership on a Municipal Affordable Housing Trust Fund guidebook, which explains strategies for setting up a trust and gaining approval from the local legislative body.

### Encouraging and Supporting Collaboration among Municipalities

Subregional councils are a primary means of communication between MAPC and member communities, and MAPC continually seeks to expand participation in these councils. Each municipality in the MAPC region is included in one of eight subregions, led by a staff coordinator; the Metrowest Growth Management Committee plays this role in MetroWest, but is governed by an independent board, on which MAPC serves. Over the past year, subregional meetings addressed a wide variety of planning topics. In 2009, MAPC took on the role of fiduciary for all four regional homeland security councils across the Commonwealth, managing \$13.4 million in grant funds. MAPC also participates in statewide homeland security planning efforts along with participants from several state agencies and all homeland security regions.

### Preparing for Natural Disasters

MAPC completed Natural Hazard Mitigation Plans for 32 cities and towns in 2009, on top of the 41 other plans completed in recent years. Each plan includes a GIS map series depicting areas subject to various natural hazards,

an inventory of critical facilities and infrastructure, a vulnerability analysis, and a mitigation strategy with recommended actions to reduce vulnerability. FEMA requires that the plans be renewed every five years to reflect current data and conditions.

### **Municipal Savings through Shared Procurement**

Some 35 communities are saving up to 20 percent on purchases of office supplies, paving services, and road maintenance by participating in MAPC's Regional Services Consortiums. MAPC performed multiple procurements for municipalities in four regions. In 2009, MAPC began its partnership with the Fire Chiefs Association of Massachusetts (FCAM) to develop a collective procurement service model to address the high cost of fire apparatus and ambulances. MAPC works to collect and analyze regional data and to make this data available to the public, while helping to increase analytic capacity at the local level. Users throughout the region and around the world can access information about MAPC communities through our ever-expanding Web-based mapping site, [www.MetroBostonDataCommon.org](http://www.MetroBostonDataCommon.org).

### **Getting Around the Region**

Transportation – and equitable access to reliable transit – is a major focus of MAPC's work. The agency serves as vice-chair of the Boston Region Metropolitan Planning Organization (MPO), which establishes transportation funding priorities for the region. We conduct studies and develop plans to support transportation improvements, and advocate for a well-funded, accessible transportation system that provides choice and mobility. We also encourage the coordination of transportation and land use policies at the state, regional and municipal level.

### **Charting a Course to Regional Prosperity**

MAPC's economic development work is based on a Comprehensive Economic Development Strategy, updated annually. This report presents current economic trends in a format useful to public officials and community-based organizations. MAPC is supporting the innovation economy in Massachusetts by working collaboratively with business-driven organizations in every part of the region.

### **From Beacon Hill to Capitol Hill**

Under the guidance of our Legislative Committee, MAPC works with the Patrick Administration, legislators, and stakeholders of all stripes to advance legislation and policies across a diverse set of issues. MAPC advocated successfully for passage of numerous bills, from legislation enabling cities and towns to locally opt for meals and hotel taxes, to the recently passed reforms of our transportation system. MAPC is also increasingly active in Washington, working with the Obama Administration and our Congressional delegation to revamp the way transportation is funded in America, with an increased emphasis on lowering greenhouse gas emissions through a greater emphasis on transit. We are collaborating closely with the National Association of Regional Commissions and other allies to establish the so-called "sustainable and livable communities" program, which will fund the development and implementation of regional plans like MetroFuture.

### **South West Advisory Planning Committee (SWAP)**

Bellingham, Dover, Franklin, Hopkinton, Medway, Milford, Millis, Norfolk, Sherborn, Wrentham

---

During 2009, the SWAP subregion municipal representatives participated in 9 meetings to discuss and take action on issues of mutual interest from community development to transportation planning. SWAP provided input to MAPC regarding proposed state legislation, transportation funding, and components of the regional plan. SWAP heard presentations related to federal Energy Efficiency Block Grants, District Local Technical Assistance grants, the Community Transportation Technical Assistance program, and the Green Communities Act funding for which SWAP communities were eligible. SWAP hosted discussions for community leaders to learn about ongoing water conservation and re-use activities in the region, to hear about how existing and proposed partnerships between communities can save costs and enable expanded municipal services, and to provide input to an ongoing study of Route 126 from Bellingham to Framingham. SWAP will continue the above efforts during the upcoming year. In addition, SWAP will be working with the MetroWest Growth Management Committee to host discussions on the inter-municipal implications of potential casino development in the I-495 area.

*Respectfully submitted by Marc D. Draisen, Executive Director, Metropolitan Area Planning Council.*

The Milford Park Department maintains all school grounds, over 20 parks and fields, maintenance of about ten playgrounds, Louisa Lake recreational area, the Upper Charles Trail, operation of the municipal pool, and maintenance of the North Purchase Street Cemetery. The department also operates an in-house maintenance program.

Many organizations, including youth, adult, business and church groups, high school athletics and gym classes utilized facilities managed by the Park Department.

Utilizing funding from the Lowe's T.I.F. Agreement, the General Draper statue, as well as several memorial plaques and also the Calzone Park Doughboy were greatly improved.

Thanks to the Prospect Heights Mayors Association for improvements to the World War II monument at Prospect Heights Park.

Construction of Phase II of the Upper Charles Trail has commenced. Phase I represents 3.7 miles of paved pathways for biking or walking. Visit [www.milfordtrail.org](http://www.milfordtrail.org).

Fino Field pool was again a popular summer spot for a nine week swim season. Thanks to Milford Rotary for sponsoring swim lessons.

Thousands of people attended the July 4 fireworks and festivities. Thanks to the Milford Lions Club for sponsoring the entertainment.

The Milford Musicians Pavilion was home to the popular Tuesday night concert series produced by Claflin Hill Music Program.

Funding was approved for replacement of Fino Field lights.

Thanks to the Greenleaf Garden Club for planting and maintaining flowers at several parks and thanks to several Eagle Scouts for improvements along Upper Charles Trail.

Meetings are held at the Milford Youth Center. Park Department phone number is 508 478-1110x2650 and email address is [mbres@worldband.net](mailto:mbres@worldband.net).

Future goals include improvements to Fino Field pool, renovations to Milford High Athletic Fields, and establishment of additional fields to meet growing needs.

## MILFORD PERSONNEL BOARD

TOWN HALL · 52 MAIN STREET  
MILFORD, MASSACHUSETTS 01757

### MILFORD PERSONNEL BOARD

#### Report to the Town of Milford for Calendar Year 2009

The Milford Personnel Board administers the Personnel By-Laws of the Town of Milford, and implements the Wage and Salary Administration Plan. Specific position classifications under the Board's jurisdiction, along with related salary and wage rates for FY2010, are incorporated within Article 2 of the 2009 Annual Town Meeting. The Board meets regularly in public session at Town Hall. Meeting dates are posted on the Town Clerk's official Bulletin Board. The Personnel Board consists of five regular members, one of whom is appointed each year by the Board of Selectmen to serve a five-year term, and one alternate member, appointed by Selectmen to serve a three-year term.

The organization of the Board as of January 1, 2009, consisted of James Ligor, Chairman, Robert Scarfo, Vice Chairman, members Warren Heller, Esq., Teresa Persico, Esq., and Michael Shain, and alternate member Scott Magnacca. At the July 29th meeting, the Board reorganized, re-electing James Ligor as Chairman, and Robert Scarfo as Vice-Chairman. Finance Committee members Charles Miklosovich and Joyce Lavigne served as liaison between the two Boards.

In February, in response to the Finance Committee's recommendation to limit budget increases to 1.5%, the Board voted to recommend for Fiscal year 2010 a one percent (1%) cost of living adjustment (COLA), and to limit that increase to Article 2 Salaried and Hourly Rated Positions only. However, that recommendation was defeated by vote of the 2009 Annual Town Meeting.

Throughout the year, the Personnel Board took action on many issues presented for its consideration, including, but not limited to the following:

- Meetings with various Department Heads, re: Personnel By-Laws
- Implementation of an Employee Tracking Form.
- For clarification, a Vernon Grove Cemetery staff position title change – from Groundskeeper/Supervisor to Groundskeeper.
- A restatement of Personnel By-Laws benefit eligibility – restricted to permanent, full-time positions only.
- A Community Development Office staff position title change – from Child Care Coordinator to Program Coordinator.
- Approval of salary schedule placement for Board of Assessors' Lister/Data Collector.
- Classification of Seasonal Heavy Equipment Snow Plow Operation for Highway Department.
- Approval of Carryover of Unused Vacation Leaves.
- Reclassification of Wiring Inspector and Plumbing/Gas Inspector positions to full-time.
- Acknowledgement of appointment of Community Development Program Coordinator

Each year, an Analysis of Article 2 positions is prepared prior to the Annual Town Meeting. The Analysis incorporates detailed information regarding incumbent personnel employed in over 110 position titles, along with their assigned departments, appointing authorities, supervisors, classification, compensation grades and steps, lengths of service, current salaries/wages, and anticipated salaries/wages as of the next fiscal year.

In addition to the information provided in this Annual Report, Personnel Board information is periodically updated on the Town's Website at [www.milford.ma.us/personnel.htm](http://www.milford.ma.us/personnel.htm)

The Personnel Board takes this opportunity to express its appreciation to all Town officials and employees for their cooperation and assistance in 2009, and looks forward to an equally positive and productive association in the year ahead.

## REPORT FOR 2009

The Planning Board meets at 7:00 p.m. on the first and third Tuesday of each month at Town Hall. Special meetings may be called as determined by the number of applications. The Planning Board's statutory authority includes the following procedures that in many cases require a Public Hearing:

- Prepare and adopt the Town Comprehensive Plan
- Recommend to Town Meeting re. Amendments to the Zoning By-Law/zone changes
- Recommend to Town Meeting re. Acceptance of streets as Town ways
- The subdivision of land, including securing surety/bonds
- Site Plan Reviews
- Special Permits for Planned Residential & Elderly Housing Developments
- Recommend to Zoning Board of Appeals re. Variance and Special Permit petitions
- Recommend to Board of Selectmen regarding Chapter 121A Tax Agreements

The Planning Board reviewed 12 Site Plans, and held Public Hearings for 1 Special Permit (1 PRD amendment), 2 Definitive Subdivisions, 1 Repetitive ZBA Petition, 4 re-zonings, and on 4 Zoning By-Law Amendments. The Board processed 23 Waiver/Amendments to Site Plans, endorsed 10 ANR/81-P plans, acted on 3 Bond Postings/Releases/Reductions, and made recommendations to Town Meeting regarding 4 street acceptances.

The Planning Board made recommendations to the Zoning Board of Appeals on 14 Variances, 15 Special Permits, 1 Appeals, and 0 Ch.40B Comprehensive Permit. As of December 31, 2009 a total of 125 Lots/PRD units were eligible for building permits.

During calendar year 2009, application fees generated \$15,210.00 and the sale of Zoning By-Laws/Maps, Subdivision Regulations, and copying charges generated \$156.00 in deposits to the General Fund.

Ladies and Gentlemen:

Thank you for the opportunity to present the 2009 Annual Report for the Milford Police Department.

With deep sadness and regret, Officer Nicholas Sullo passed away while in his 34<sup>th</sup> year of active service with the Milford Police Department. Although we miss his presence at the Milford Police Department, he will always be remembered.

During this past year, Officer Frank Minichiello retired after 34 years of service to the Town of Milford; Officer Ronald Massey retired after 17 years of service to the Town of Milford and 31 years as a police officer in Massachusetts; and Officer Richard Belanger retired after 5 years of service to the Town of Milford and 20 years as a police officer in Massachusetts.

In my capacity as the Chief of Police, I appointed Nathan Hathway, Ryan Maher, Angel Arce, Michael Cappabianca, and Patrick Dailey as police officers in the Town of Milford.

As has been the case in previous years, I am pleased to report that the men and women of the Milford Police Department continue to meet their daily responsibilities and challenges in a professional and exemplary fashion.

The staff of the Police Department continues to work cooperatively with Town Administrator Louis Celozzi, Fire Chief John Touhey and his staff, representatives of other Town departments and private concerns from the Town of Milford in meeting the challenges related to emergency preparedness and protecting the public's safety interest.

On behalf of the men and women of the Milford Police Department I would like to thank the residents of the Milford community for your continued support of the men and women of the Milford Police Department. We look forward to the opportunity to work with you and to serve you in the coming years.

Sincerely yours,  
Thomas J. O'Loughlin

### 2009 ANNUAL TOWN REPORT

This year was an ambitious and productive year for the Milford Public Schools. With expanded learning opportunities for students through the development of the *Milestones Program*, a highly-specialized classroom learning environment for students with unique learning needs and the application of virtual learning platforms through Plato™ and Virtual High School™ for students who seek the challenge of asynchronous on-line learning, the Milford community continues to support learning opportunities for students at virtually every end of the educational spectrum within our school system.

As the reach of the Milford Schools continues to extend into the greater Milford region through partnerships with Milford Regional Medical Center, Claflin Hill Symphony Orchestra, Hockomock Area YMCA, Milford Performing Arts Center, Milford Historical Commission, Milford Youth Center, regional education collaboratives, to which Milford has become central, MassBay and Quinsigamond Community Colleges, Northeastern University, many new opportunities for teaching and learning continue to grow. With prominence as a member of the Milford Area Chamber of Commerce, the Milford Schools proudly reflect their centrality to workforce development by blazing new vocational pathways for students while focusing sharply on preparing students for post-secondary academic pursuits at competitive colleges and universities across the country.

The reach of the Milford Schools extended as far as Washington, D.C. in 2009 as our community was proudly recognized by President Barack Obama. Deborah Seaver, an educator at Brookside Elementary School, was honored in 2009 with the President's Award for Mathematics and Science Teaching, an honor that was only bestowed upon eighty-eight educators nation-wide.

Dedicated educators, school administrators, and Milford School Committee volunteers work tirelessly to create and nurture learning environments that empower students in the Milford schools to meet the challenge of change in an increasingly complex world. We are grateful to the Milford community for their support of education and we look forward to building upon the solid foundation that has been laid as we continue to improve the practice of teaching and learning in a school district that is committed to working relentlessly to support, challenge, motivate and inspire students as they acquire the skills necessary to function and succeed in our community and within a global marketplace.

Respectfully submitted,  
Robert A. Tremblay  
Superintendent of Schools

It is with regret and sadness that we report the death of Robert Dumont, who has worked at the cemetery for over 12 years. Bob only worked at the cemetery in the summer but checked it on weekends and all winter. He never needed to be on the clock to pick up any debris or limbs that fell from the trees.

This year a surveillance system was installed at the cemetery. It is the hope of the Trustees that this will help with taking care of the trash problem that we have at the cemetery. The Trustees were asked by the Finance Committee to look into the feasibility of having the cemetery mowed and leaves taken care of by a private contractor.

The cemetery has had a total of 35 burials in 2009, 26 traditional burials and 9 cremations. We have sold 18 Lots this year.

Your Sewer Commission meets on Tuesday nights on a posted monthly schedule. All meetings are open to the public and are held in Room 14 of the Milford Town Hall located at 52 Main Street in Milford.

We issue permits for connection to our sewer system after careful review for compliance to all rules and regulations. We license all Drain Layers doing work in the Town of Milford. We continue working with the firm of Tata & Howard as our Engineering Consultants, with Jack O'Connell as its representative. This provides you, the taxpayer, with the most qualified and cost-effective service available today in the complex field of Wastewater Management.

The budget established for the Sewer Department operation is funded through the "Sewer Use Fees" as established and mandated by the Enterprise Fund Act, adopted by the Town in 1982.

Your Sewer Department staff dedicates itself to service and pride in its work, and continues to obtain accreditations and certification in the field of Wastewater Management.

Our Field Service support team inspects pipeline installations and maintains building and permit records at a cost savings to contractors, as well as generating revenue income for the Department. They establish scheduled routines of inspection, clean-out and testing, to keep the 60 miles of pipeline and 10 pumping stations in perfect running condition.

The Inflow & Infiltration Study has been completed and we have started to do some relining of the leaking pipes. We will continue to inspect and repair manholes.

We, your elected Board of Sewer Commissioners, continue to research a variety of funding revenues to expand our customer base. This is the only economic sense for a department that relies totally on monies received from our customers to pay all of our bills. Therefore, we must seek out alternatives to expand our customer base and services to provide for the future growth and maintenance of your Sewer Department.

### DEPARTMENT OF VETERANS' SERVICES

The office of Veterans' Services is located in Room 01 on the lower level of Town Hall. Office hours are Monday through Friday from 9 a.m. to 5 p.m. and are staffed by John A. Pilla, Veterans Service Officer and Janet Flumere.

The primary purpose of the program is to provide financial/medical assistance to needy veterans and their dependents. Our applicants are usually unemployed and employable or unemployed and unemployable. For those that are employable, we work closely with the local office of Employment & Training and the Massachusetts Rehabilitation Commission in assisting them to reenter the job market as soon as possible. For those that are unemployable, we assist them with applications to more permanent programs such as Social Security and VA pensions.

Although not affiliated with the federal program of Veterans Affairs (VA), we do provide "service" work in assisting veterans with the applications to the various programs offered by VA.

The needs of our veterans have changed over the years from initially providing temporary benefits during periods of unemployment to currently providing assistance with the ever increasing cost of health insurance and other related medical necessities.

The financial support provided by the town has been exceptionally strong and consistent over the years along with several local "service" organizations that provide gift certificates during the holiday seasons.

Information about veterans' benefits is available at our office or on-line at the following web sites: State Veterans programs, [www.mass.gov](http://www.mass.gov) : the Federal program at VA [www.va.gov](http://www.va.gov). We may also be reached at the following addresses: [jpilla@townofmilford.com](mailto:jpilla@townofmilford.com) and [jflumere@townofmilford.com](mailto:jflumere@townofmilford.com).

The Milford Youth Center can attest that it lived up to its slogan as being 'The Road to Active Minds and Healthy Activity. The Milford Youth Center offers young people from ages 8-18 many activities during the school year and during the summer with various camps. During the school year the MYC is open weekdays from 9- 2 for adult organizations, 2- 6 for school children 8 to 18yrs and 6 -10 for local youth & civic organization. We are also open weekends 8 to 10 for all local youth & civic organization. There is NO MEMBERSHIP FEE to become a member.

The Milford Youth Center has become the focal point for the children of Milford. It hosts many different activities and many children attend throughout the year. The children of Milford have come to depend on the Youth Center to provide them with the necessary activities and events that help them develop physically, mentally, socially and emotionally through their childhood years.

The Milford Youth Center staff includes Director James Sanchioni, Assistant Director Sidney DeJesus, Health Coordinator Christine Daddario along with the Youth Commission Chairman Paul Seaver & several volunteers.

2009 brought with it some wonderful and much needed additions to the Center. International Power of Bellingham funded a new \$43,740.00 boiler which has greatly improved our energy efficiency, the School System provided computers to create a computer learning room, Crown Supply installed new outdoor lighting, Mazzone Electric provided new inside electrical outlets, Consigli Construction provided endless guidance, maintenance and financial support, Town Administrator Louis Celozzi provided a handicap lift to assist in our handicap upgrades. There were numerous painting and cleanup projects completed to provide a more inviting atmosphere. All this was done through the generosity of the wonderful businesses and people of the community.

The Youth Center would like to acknowledge all our volunteers, who provided assistance for a variety of programs and projects, along with all the citizen of Milford, local businesses, organizations, youth sport groups, boys & girl scouts, schools, PTO's, senior center, town agencies, JAG corp., local government & state government who have supported us. We look forward to your continued support and as always would enjoy providing a tour of our facility to give a firsthand look at the incredible services we provide.

A special note of gratitude is extended to the United Way of Tri-County, Senator Richard T. Moore and State Representative John V. Fernandes for their unfailing support.

#### A few of the ongoing programs

- Youth Council - Meeting weekly. Coordinating a youth leadership and volunteer program for ages 11 to 17 to engage the children in community activities and civic leadership.

SPECIAL TOWN MEETING

March 16, 2009

Milford, Massachusetts

COMMONWEALTH OF MASSACHUSETTS

WORCESTER, ss:

To either Constable of the Town of Milford in said County,

GREETINGS:

In the name of the Commonwealth aforesaid, you are hereby required to notify and warn the Inhabitants of the Town of Milford, qualified by law to vote in Town Affairs, to meet in the Upper Town Hall of the Milford Town Hall, 52 Main Street, on the 16<sup>th</sup> day of March, 2009 A.D. at 7:30 P.M. and then and there to act upon the following articles:

ARTICLE 1: To see if the Town will vote to authorize the Board of Selectmen to grant an easement to Massachusetts Electric Company over property of the Town of Milford in the Municipal Parking Lot between Pine Street and Fayette Street, which easement would be for the purpose of constructing, maintaining and operating electric transmission and other facility purposes, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 2: To see if the Town will vote to amend the General By-Laws of the Town of Milford by adding a new Article 15, Section 14 as follows:

**PUBLIC CONSUMPTION OF MARIHUANA OR  
TETRAHYDROCANNABINOL**

No person shall smoke, ingest, or otherwise use or consume marihuana or tetrahydrocannabinol (as defined in G.L. c. 94C, § 1, as amended) while in or upon any street, sidewalk, public way, including any person in a motor vehicle while it is in, on, or upon any public way or any way to which the public has the right of access within the limits of the Town of Milford, footway, passageway, stairs, bridge, park, playground, recreation area, public building, schoolhouse, school grounds, cemetery, parking lot, or any area owned or under the control of the Town within the limits of the Town of Milford; or in or upon any bus or other passenger conveyance operated by a common carrier; or in any place to which the public has a right of access.

This by-law may be enforced through any lawful means in law or in equity including, but not limited to, enforcement by criminal indictment or complaint pursuant to G.L. c. 40, §21, or by noncriminal disposition pursuant to G.L. c. 40, § 21D, by the Board of Selectmen or their duly authorized agents, or any police officer. Whoever violates the provisions of this section shall be punished by a fine not exceeding One Hundred Dollars (\$100) for the first offense; Two Hundred Dollars (\$200) for the second offense; and Three Hundred Dollars (\$300) for any third or subsequent offense. Any penalty imposed under this by-law shall be in addition to any civil penalty imposed under G.L. c. 94C, § 32L.

Or take any other action in relation thereto.

(Police Chief/Board of Selectmen)

ARTICLE 3: To see if the Town will vote to amend Section 3.2.5 of the Zoning By-Law relating to portable warehouses as follows:

BY ADDING after Section 3.2.5.1 a new Section 3.2.5.2 as follows:

3.2.5.2 Further notwithstanding the foregoing, portable warehouses/storage containers utilized in conjunction with permitted contractor's yards and portable warehouse/storage container leasing and sales facilities may be permitted without a Special Permit provided they are not placed within the front yard setback, or take any other action in relation thereto.

(Planning Board)

ARTICLE 4: To see if the Town will vote to amend Article VI Planned Residential Development of the Zoning By-Law relating to density bonuses by adding a new Section 6.4.3.1.4 as follows:

"6.4.3.1.4 In lieu of the requirements of Section 6.4.3.1.3 herein, an applicant may make payment to the Town in the form of a Recreation Facilities Improvement Grant in an amount to be determined by the Planning Board. Said grant monies shall be paid at a time and in a manner approved by the Planning Board, and deposited into a fund established under MGL Ch. 44 Sec. 53A to be utilized by the Town only for the purposes of providing new recreation facilities in the town, or for the substantial rehabilitation of existing recreation facilities. Said grant monies shall specifically not be used for routine maintenance or to otherwise supplement departmental operating budgets. Such grants can provide an overriding public benefit and could further the objectives of providing substantial public recreation facilities. In instances where such a grant is utilized, land area within the tract equivalent to the land area of the facility benefiting from the grant may be required to be offered for transfer to the Town as Common Open Space."

Or take any other action in relation thereto.

(Planning Board)

ARTICLE 5: To see if the Town will vote to transfer a sum of money from available funds to be used as another financing source in the General Fund for Fiscal Year 2009, or take any other action in relation thereto.

(Finance Committee)

ARTICLE 6: To see if the Town will vote to reduce or adjust any amounts voted as line items in Fiscal Year 2009 Budget as voted under Article 4 of the May 19, 2008 Annual Town Meeting and/or to supplement such line items and budget with transfers from available funds, or take any other action in relation thereto.

(Finance Committee)

ARTICLE 7: To see if the Town will vote to amend Article 37 of the General By-Laws of the Town by striking the current Section 4 and inserting a new Section 4 as follows:

Section 4. Fee

There shall be a fee of Fifty (\$50) Dollars to procure a Certificate of Registration for each unit, which shall be valid for one year. Thereafter the permit shall annually be renewed at a fee of \$15 per year. Failure to obtain and pay for an initial Certificate of Registration within thirty (30) days of notice from the Board of Health of the obligation to obtain such a certificate for a unit, or failure to renew within thirty (30) days of the expiration of a certificate for a unit, shall require the payment of an additional Fifty (\$50) Dollars per unit as a late fee.

Or take any other action in relation thereto.

(Board of Health)

ARTICLE 8: To see if the Town will vote to transfer a sum of money from available funds to be utilized to offset the deficit within the Highway Department Snow and Ice Removal Account as voted under Article 4 of the May 19<sup>th</sup> 2008 Annual Town Meeting, or take any other action in relation thereto.

(Finance Committee)

ARTICLE 9: To see if the Town will vote to amend Article II of the Zoning By-Law relating to Residential Uses as follows:

BY ADDING a new footnote #22 in Section 2.3 Use Regulation Schedule for residential uses in the CA Zone as follows:

“<sup>22</sup> Except that in multi-story buildings fronting on Main Street, residential uses may be allowed above the second floor provided that a Special Permit is first obtained from the Planning Board, and provided further that residential uses may be allowed only on the uppermost floor. For purposes of this section, the first floor shall be considered the floor at Main Street level.”

Or take any other action in relation thereto.

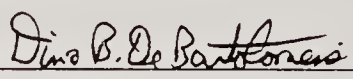

(Planning Board)

And you are hereby directed to serve this warrant by posting at least fourteen days before said meeting attested copies of this warrant in ten or more public places located in said Milford.

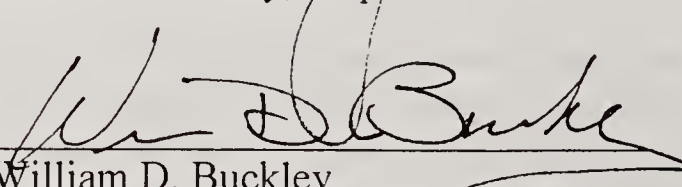

HEREOF, FAIL NOT, and make due return of this warrant with your doings thereon to the Clerk of said Town at the time of said meeting.

Given under our hands at Milford this 23<sup>rd</sup> day of February, 2009, A.D.

David Morganelli, made a motion to “reinstate his previous motion ruled out of order” to create a study of Article 3; Moderator Noferi upheld his ruling of the motion as Out of Order and instructed Town Meeting Members to continue debate.

After further debate...

**A Voice Vote was taken on the original motion of Article 3 (above) as presented in the warrant.**

**Voice Vote on motion as presented...Carried.**

**A Motion was made by Town Counsel, Gerald Moody to Remove Article 4 from the Table.**

**A Voice Vote was taken to remove Article 4 from the Table...Carried.**  
*(article from warrant below):*

**ARTICLE 4.** To see if the Town will vote to raise and appropriate such sum or sums of money as may be necessary to defray expenses for the financial year beginning July 1, 2009, or take any other action in relation thereto.

(Board of Selectmen)

Finance Committee Chairman, David Morganelli then presented a report of the Finance Committee, which included Article 4 as amended (copies of the amendment below were given as a handout to all Town Meeting Members).

**It was moved:** That the Town Meeting receive the report of the Finance Committee and that the Moderator inquire if any voter wishes to consider any item separately; that is any voter so wishes he or she shall ask the Moderator to remove this item from the report and when this is done that the Town vote to raise and appropriate and transfer, where indicated in the report the amount recommended in the Finance Committee Report as amended and that the Town Meeting shall then consider the items which have been removed from the report by taking up each item individually.

(copies of the Art. 4 Fin. Com. Report can be obtained in the Town Clerk's Office)

Moderator Noferi then asked if any Town Meeting Members wished to remove any line items from the Finance Committee Report...there was no response or debate.

**Voice vote was then taken on the Motion of Article 4 as presented (above) ...Carried Unanimous.**

**A motion was made by Personnel Board Chairman, James Ligor to *Reconsider Article 2*, which was previously considered and therefore required a Standing 2/3<sup>rd</sup> vote.**

The Precincts were polled...42 votes For...97 votes Against, 139 votes cast.

**Necessary 2/3<sup>rd</sup> vote not obtained...*Reconsideration of Article 2* Defeated.**

**A motion was made by David Morganelli to Reconsider Article 21, requiring a majority vote.**

**Voice Vote taken...majority not obtained.**

**The following Town Meeting Members stood to Doubt the Vote:**

**Pamela Fields (Pr. 2), Michael Visconti (Pr. 6), Lynda Heller (Pr. 1), Richard Heller (Pr. 1), Michael Abbiuso (Pr. 1), Brian Cormier (Pr. 1), Mary Carlson (Pr. 7); leading to a Standing Vote to Reconsider Article 21.**

The precincts were polled...93 votes For...44 Against...

**Motion to Reconsider Article 21...Carried.**

**ARTICLE 21.** To see if the Town will vote amend Article VI Planned Residential Development of the Zoning Bylaw relating to density bonuses by adding a new Section 6.4.3.1.4 as follows:

6.4.3.1.4 In lieu of the requirements of Section 6.4.3.1.3 herein, an applicant may make payment to the Town in the form of a Recreation Facilities Improvement Grant in an amount to be determined by the Planning Board. Said grant monies shall be paid at a time and in a manner approved by the Planning Board, and deposited into a fund established under MGL Ch. 44 Sec. 53A to be utilized by the Town only for the purposes of providing new recreation facilities in the town, or for the substantial rehabilitation of existing recreation facilities. The specific facilities to be constructed or improved with such a grant shall be determined by the Planning Board. In considering the extent of the facilities to be

constructed or improved, the Planning Board shall take into consideration the density bonus sought and the overall magnitude of the proposed Planned Residential Development. At the applicant's expense, a third party architectural/engineering firm familiar with municipal recreation facilities shall establish the value of such improvements including labor costs based on prevailing wage rates. Said grant monies shall specifically not be used for routine maintenance or to otherwise supplement departmental operating budgets. Such grants can provide an overriding public benefit and could further the objectives of providing substantial public recreation facilities. In instances where such a grant is utilized, land area within the tract equivalent to the land area of the facility benefiting from the grant may be required to be offered for transfer to the Town as Common Open Space,

or take any other action in relation thereto.

(Planning Board)

**A motion (below) was then made by David Morganelli to amend Article 21. (clarification was then made by Town Counsel Gerald Moody to Moderator Noferi to consider this to be an amendment to the main motion with a reconsideration of the main motion being on the floor).**

**It was moved:** That the Town amend the main motion under Article 21 by substituting a new proposed Section 6.4.3.1.4 as follows:

“6.4.3.1.4 In lieu of the requirements of Section 6.4.3.1.3 herein, an applicant may make payment to the Town in the form of a Facilities Improvement Grant in an amount to be determined by the Planning Board, after consultation with the Finance Committee. Said grant monies shall be paid at a time and in a manner approved by the Planning Board, and deposited into a fund established under MGL Ch. 44 Sec. 53A to be utilized by the Town only for the purposes of providing new facilities in the town, or for the substantial rehabilitation of existing *municipal* facilities and to be expended in accordance with the requirements of said Sec. 53A. The specific facilities to be constructed or improved with such a grant shall be determined by the Planning Board. In considering the extent of the facilities to be constructed or improved, the Planning Board shall take into consideration the density bonus sought and the overall magnitude of the proposed Planned Residential Development. At the applicant's expense, a third party architectural/engineering firm familiar with municipal facilities shall establish the value of such improvements including labor costs based on prevailing wage rates. Said grant monies shall specifically not be used for routine maintenance or to otherwise supplement departmental operating budgets. Such grants can provide an overriding public benefit and could further the objectives of providing substantial public recreation facilities. In instances where such a grant is utilized, land area within the tract equivalent to the land area of the facility benefiting from the grant may be required to be offered for transfer

to the Town as Common Open Space. *The grant money an applicant is required to pay pursuant to this section shall, prior to utilization of any density bonus authorized hereunder, be either provided in full amount to the Town, or guaranteed as to payment through surety, letter of credit or other acceptable means of guarantee.*

A motion was made by Gerald Moody to waive the (above) reading of the amendment because it is the same as the wording of the handout given to all Town Meeting Members.

**Voice vote taken on the waiving of the reading...Carried.**

After Debate...

**Voice Vote taken on *considering* the Amendment to the Motion, requiring a majority vote.**

**Voice Vote...Carried**

**A Standing 2/3<sup>rd</sup> vote was then taken on the Motion as Amended...**

The precinct were polled...112 FOR...32 Against...144 votes cast.

**Necessary 2/3<sup>rd</sup> vote acquired...Motion carried.**

A motion was then made to dissolve the warrant.

Voice vote taken...Motion Carried.

The warrant was dissolved at 9:35 p.m.

**A True Copy of the Record.  
Attest: Amy Hennessy Neves  
Town Clerk**

SPECIAL TOWN MEETING

October 26, 2009

Milford, Massachusetts

COMMONWEALTH OF MASSACHUSETTS

WORCESTER, ss:

To either Constable of the Town of Milford in said County,

GREETINGS:

In the name of the Commonwealth aforesaid, you are hereby required to notify and warn the Inhabitants of the Town of Milford, qualified by law to vote in Town Affairs, to meet in the Upper Town Hall of the Milford Town Hall, 52 Main Street, on the 26<sup>th</sup> day of October, 2009 A.D. at 7:30 P.M. and then and there to act upon the following articles:

ARTICLE 1: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in the amount of \$18,000 to be utilized to purchase fireworks for the July 4, 2010 celebration, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 2: To see if the Town will vote to accept as a public way, a private way known as Jen Paul Way, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 3: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in the amount of \$231.86 to be utilized to pay an unpaid bill to Stone River Pharmacy for fiscal year 2009, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 4: To see if the Town will vote to authorize the Board of Selectmen to transfer a 1,953 square foot parcel of land, part of the larger 61.5 acre parcel of land owned by the Town of Milford on the easterly side of Asylum Street behind the Milford Geriatric Authority facilities, to Norman and Heidi White of 3 Dartmouth Drive, Milford for the sum of \$4,000 plus all related costs, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 5: To see if the Town will vote to hear the report of the School Building Committee, as authorized by vote under Article 27 of the May 15, 2000 Annual Town Meeting, as amended, and further that the Town vote, after hearing said report, to dissolve said School Building Committee, or take any other action in relation thereto.

(School Building Committee)

ARTICLE 6: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in the amount of \$21,333.40 to pay for the cost of two (2) special elections, or take any other action in relation thereto.

(Board of Registrars/Town Clerk)

ARTICLE 7: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in the amount of \$2,500 to be utilized to install chain link fencing in four locations of the Godfrey Brook in order to meet building/safety code requirements, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 8: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in the amount of \$21,000 to be spent under the jurisdiction of the Police Chief for the purpose of acquiring a community notification system, or take any other action in relation thereto.

(Police Chief/Fire Chief/  
Board of Selectmen)

ARTICLE 9: To see if the Town will vote to: (a) designate as an Economic Opportunity Area property located at 1 National Street (Assessor Parcel ID 58-0-9), pursuant to Massachusetts General Laws Chapter 23A, § E; (b) approve the form of the Tax Increment Financing (TIF) Agreement by and between the Town of Milford and Saint-Gobain Containers, Inc. on file with the Board of Selectmen and Town Clerk; (c) authorize the Board of Selectmen to execute the TIF Agreement and to take such other actions as are necessary or appropriate to implement the TIF Agreement; (d) authorize the Board of Selectmen to approve and propose projects as provided in the TIF Agreement and to apply to the Massachusetts Economic Assistance Coordinating Council under the Economic Development Incentive Program for approval of the 1 National Street Economic Opportunity Area, TIF Plan, TIF Agreement and any proposed certified projects (e) take such other and further action as may be necessary or appropriate to carry out the purposes of this article.

(Board of Selectmen/Saint Gobain  
Containers, Inc.)

ARTICLE 10: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in the amount of \$110,000 to be utilized, with other funds appropriated or to be appropriated, to repaint the exterior of the Milford Town Hall, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 11: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in the amount of \$5,000 to be expended for purposes of upgrading and improving the Town of Milford website, or take any other action in relation thereto.

(Board of Selectmen)

ARTICLE 12: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be utilized for the purposes of expert assistance in relation to the Complaint filed by the Board of Selectmen with the State Department of Public Utilities in relation to the Milford Water Company and the recent water contamination issues, or take any other action in relation thereto.

(Legal Department)

ARTICLE 13: To see if the Town will vote to appropriate a sum of money in the amount of \$250,000 to be spent by the Geriatric Authority in addition to those funds appropriated under Article 2 of the March 7, 2005 Special Town Meeting, Article 23 of the June 12, 2006 Annual Town Meeting and Article 21 of the October 22, 2007 Special Town Meeting, for the purpose of renovation, reconstruction and/or expansion of the Milford Geriatric Authority facility; and further to see how said sum shall be raised, whether from the current tax levy, by transfer from available funds by borrowing or otherwise, or take any other action in relation thereto; an affirmative vote hereunder would, in effect, reverse action taken under Article 16 of the October 27, 2008 Special Town Meeting rescinding \$250,000 of borrowing authorization.

(Geriatric Authority)

ARTICLE 14: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money, to be utilized with funds previously appropriated, and to be spent under the jurisdiction of the Board of Selectmen for engineering, consulting and legal expenses looking towards the cleanup of environmental hazards on Town property off of the Charles River Trail behind property of the Benjamin Moore Company and Sumner Realty Trust, or take any other action in relation thereto.

**REPORT OF THE TOWN TREASURER**  
**INTRODUCTION**

The annual report of the Town Treasurer is hereby submitted for the fiscal year commencing July 1, 2008 through June 30, 2009.

The Treasurer's Office is located in Suite #18 of the Town Hall. The office is open Monday through Friday from 8:30 a.m. to 5:00 p.m. The Treasurer is responsible for recording cash receipts and cash disbursements, payroll and related deductions, short-term and long-term debt, and tax lien management. Accordingly, this report illustrates the status of the major responsibilities of the Treasurer, detailing the operating results at the close of the fiscal year.

The Treasurer's Office would like to thank the staff, town officials and citizens for their cooperation during the past year and we look forward to continuing our service to the community.

**CASH**

The investment policy of the Treasurer contains three guiding principals: first and foremost is safety of principal; second is liquidity for meeting daily cash requirements; and the final is return on investment. In the course of the Town conducting business, the Treasurer receives and distributes approximately \$101,000,000 annually, with \$7,300,000 on hand to meet immediate distribution needs.

The Town's cash accounts are categorized as "Unrestricted Cash" or "Invested Cash". Unrestricted Cash represents on hand funds in interest bearing checking or saving accounts, requiring no minimum balances. Invested Cash may or may not be liquid funds, depending on the type of investment. Investments command a higher rate of interest and some require minimum balances.

Reported on the following page is the Change in Cash Balance from Operations, which indicates the source of cash received and disbursed during the fiscal year. Also included is the Cash Balance by Institution, which details cash funds available at each financial institution. During 2009, interests rates dropped significantly, although rates in many of the Town's investment were secure. Efforts to maximize interest income from investments fell short of budget projections.

**STABILIZATION FUND**

The Town of Milford has taken steps to protect its financial position through the establishment of a stabilization fund. The Town utilizes stabilization to normalize long-term debt expenditures and for major capital appropriations. Stabilization is viewed as a credit positive, and has yielded the Town desirable borrowing rates. Appropriation requires a two-thirds vote of members present at a Town Meeting.

**TRUST FUNDS**

For accounting purposes, trusts are divided into two major types: Non-Expendable and Expendable. Differentiating between a Non-Expendable and an Expendable trust is the wish and intent of the donor. A non-expendable trust requires the principal remain intact, with only the interest income expended for the specified purpose. Contrary, an expendable trust allows the commingling of principal and interest and the ability to spend both without restriction, until exhausted. The Town opts to maintain other trust funds for specified purposes, namely, health insurance, self-insurance programs, and student activities.

**TAX TITLE**

When real estate taxes remain unpaid for an appreciable length of time, the Tax Collector has the authority, under law, to place a registered lien on the property in default and transfer the unpaid balance to the Treasurer's books. This tax lien prevents the owner from selling or transferring the property without first satisfying the debt to the Town. The Treasurer then assumes the responsibility of collecting all amounts due, or commences foreclosure proceedings.

**LONG TERM DEBT**

At the end of fiscal year 2009, the Town has \$41,775,365 of outstanding debt and \$150,006 of authorized and unissued debt. The schedules below detail the current year payments by bond and debt service requirements over the next five years. The annual debt service requirements are net school building assistance grant, which is paid to the Town on a reimbursement method.

**3. Detail of Authorized and Unissued Long Term Debt as of June 30, 2009**

Under Massachusetts General Laws, a Town must authorize debt at a Town Meeting. Although authorization does not mean debt has to be issued at that time, it does require a memorandum to the financial statements until such time the debt is issued or rescinded.

<b>Town Meeting</b>	<b>Art</b>	<b>Purpose</b>	<b>Balance 1-Jul</b>	<b>Additions</b>	<b>Issued / Rescinded</b>	<b>Balance 30-Jun</b>

<b>TOTAL:</b>			<b>\$ 8,474,206</b>	<b>\$ -</b>	<b>\$ 8,324,200</b>	<b>\$ 150,006</b>

**4. Legal Debt Limit**

Under Section 10 of Chapter 44 of the Massachusetts General Laws, a Town may authorize indebtedness up to a limit of five percent of the equalized valuation of the Town. Debt issued in accordance with this section of the law is designated as being "inside the debt limit". The Town has \$29,135,000 of debt inside the limit as of June 30. In addition, the Town is carrying \$12,640,365 of debt outside the limit for eligible purposes as specified under Section 8 of Chapter 44. The Town of Milford's debt position remains favorable, with a debt ratio of 0.8% , with payoff of debt at 58% over the next ten years. All debt appropriations are within proposition 2 ½.

Respectfully submitted,  
BARBARA A. AUGER, Treasurer
